

After careful consideration
'Lansing's Home of Live Entertainment'
will be postponing reopening until a future date due to
COVID-19 restrictions.

The date will be chosen strategically after weighing many factors. We want to assure a safe & fun environment for the entire Green Door family. The well being of our team, patrons, and artists remain our number one priority.

We want to ensure being here for many years to come offering you great service, and the best live entertainment Lansing has to offer.

We will be re-evaluating things after the
July 4th holiday.

We appreciate your continued support.
Rest assured, We WILL be BACK!!!
