

THANK YOU for the support of those whom have
came out and supported us in the last 2 months.

We came, we saw, we did it right!

But it is time we bow out and save financial resources to fight another day.

These are unprecedented times we are living in.

It is obvious that we cannot be financially profitable in the midst of this pandemic.

We will be shutting back down until we can operate fully as a Live entertainment venue.

Please be safe, mindful and support small LOCAL businesses in your community.

They need you more now than ever.
